

Book now for a discovery of

wartime Kent this Christmas

Chartwell and Biggin Hill Memorial Museum, Mon 7 - Fri 18 Dec

This winter visit Chartwell, the family home of Winston Churchill and join a guided tour seeing selected rooms dressed for Christmas across the decades. Explore the 1930s and 40s when duty would have kept Churchill away from the family at Christmas, then continue your discovery at Biggin Hill Memorial Museum and St George's RAF Chapel of Remembrance. Just 7 miles away, see Britain's most famous fighter station, explore the personal experiences of those that served there and join a talk exploring Churchill and the defence of the realm. Email chartwell.groupbooking@nationaltrust.org.uk to book.
